

# **The Future of Transportation in Mira Mesa: Trolleys, Buses, and High-Speed Trains**

The future of transportation in Mira Mesa is being planned today. Join us for an overview of transportation-related changes planned for our community. From 2010 through 2050, changes will include:

- A Transportation Center on the Miramar College campus.
- A Direct Access Ramp connecting the I-15 Managed Lanes to Hillery Drive
- A Trolley line extension, connecting Mira Mesa to Downtown
- New Bus Rapid Transit Lines
- A High-Speed Train line, located either along or through Mira Mesa and the Miramar College campus

**The Future of Transportation in Mira Mesa:  
Trolleys, Buses, and High-Speed Trains  
Tuesday, September 27—6:00 PM  
Mira Mesa Senior Center - 8460 Mira Mesa Blvd**

**SANDAG, Caltrans, and California High-Speed Rail Authority  
representatives will present updates on important transportation  
projects in the Mira Mesa community.**
